

NavRefresher 2017

Saturday May 20th

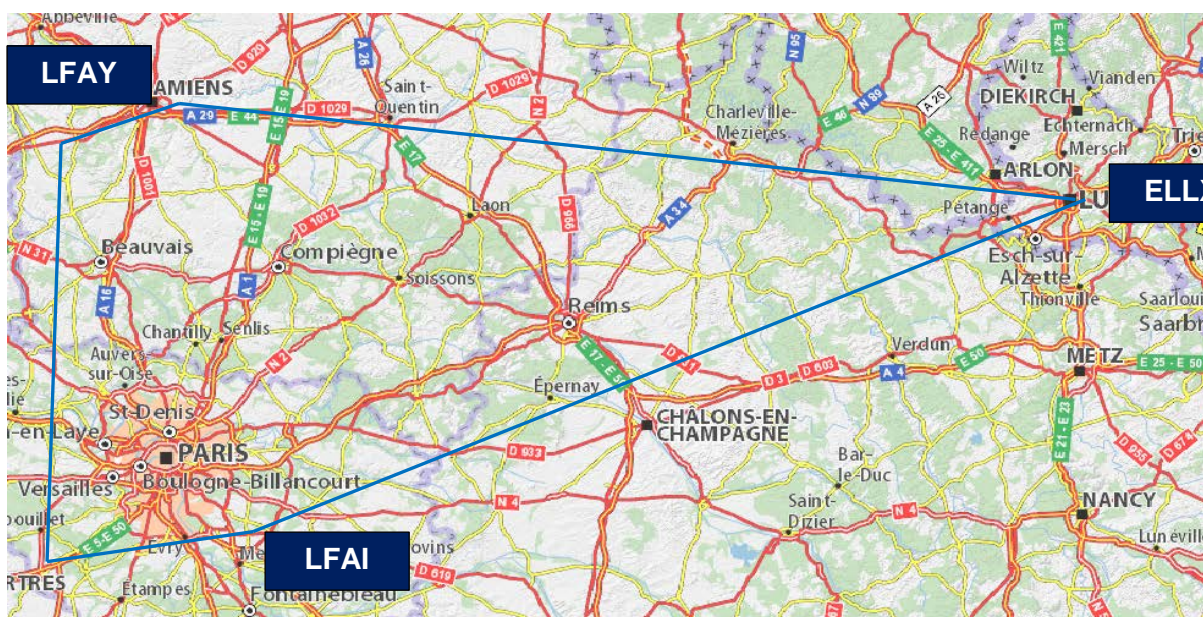

NavRefresher 2017 Saturday May 20th

The **Navigation - Refresher FLY - OUT** offers an opportunity to all pilots to improve their knowledge in preparation and realisation of navigation flights. Especially pilots, getting their licence recently, have the chance to obtain more experience, routine and confidence in navigation flights, flying in a team with more experienced pilots. Instructors are available for

student pilots who want participate.

Three legs will be flown, so that each pilot has the chance to fly one leg as PIC.
