

NavRefresher 2015

6th June 2015

The NavRefresher FLY - OUT offers an opportunity to all pilots to improve their capability in preparation and realisation of navigation flights. Especially pilots, getting their licence recently, have the chance to collect experience, routine and confidence in navigation flights, flying in a team with experienced pilots. Instructors are available for student pilots who want to participate.

Three legs will be flown, each pilot has the chance to fly one leg as PIC.
